

SOCIAL EVENT HOST APPLICATION

Working with the NCCA offers you the opportunity to reach thousands of hotel guests through our members. As venue host for one of our membership social events, you will meet our members and can develop lasting relationships.

The NCCA co-sponsors many social events each month. Social events are less structured than general meetings yet still offer host-exclusive interaction with NCCA membership. Events can be held at any time and should accommodate at least thirty people. The length of participation as host of a social event is variable. Social events give you the opportunity to address our membership directly and present your venue, product or service.

If you are interested in promoting your venue by hosting a social event, please submit answers to the following questions:

What is the name of the venue you represent?

What is the nature of your venue?

Have you hosted a social event for the NCCA membership before? If this answer is "Yes", when did this occur?

Who is the primary contact for your venue, and what is his/her title?

What is the contact information (location of venue, mailing address, telephone and FAX numbers and e-mail address) for the above venue?

Please submit this application via e-mail to NCCA President, Mr. Ric Lee at NCCAPres@gmail.com and a copy to Vice President, Ms. Marianne Wong at NCCAVP@gmail.com. Alternatively, you may print this application, complete and mail it to: NCCA Mailbox, 588 Sutter Street, #22, San Francisco, CA 94102, Attn: President Ric Lee. Thank you for your interest in working with the NCCA to provide our guests with interesting and timely information.
